2. Since daycare and boarding space is limited and usually filled in advance, Pawllywood™ can only guarantee a slot if a reservation is made in advance. Any remaining available spots for the day are filled by walk-ins on a first-come first-served basis. Once a reservation for daycare is made, the spot is held open. If a daycare reservation is not cancelled at least 24 hours prior to the reserved drop off time the Owner will be charged for the day. For cancellation of a reservation for boarding, Pawllywood™ requires notice at least 48 hours prior to the reserved drop off time or Owner will be charged for 1 night of boarding. If the boarding is reserved on a nationally recognized holiday or within 3 days prior to a nationally recognized holiday, Owner must provide notice of cancellation at least 72 hours prior to the reserved drop off time or Owner will be charged for 2 nights of boarding.

4. Before any dog is admitted to daycare, Pawllywood™ administers an initial behavioral evaluation. No dog exhibiting any sign of aggressive or threatening behavior will be admitted to daycare. Dogs attending daycare are expected to be socialized to interact appropriately with other dogs and be comfortable in an environment where they are playing without being leashed.
5. Dog must return to Pawllywood for at least one visit every 3 months of Meeting Day. In the event dog does not come back, board with us or presents different behavior from evaluation we will immediately contact emergency contact to pick up dog.

If a dog soils its fur while in attendance at daycare, Pawllywood™ will bathe the dog and Owner will be charged according to Pawllywood™'s standard bathing rates based the dog's size and type of coat. Nail clipping and bathing fees are added to Owner's bill for the day.
9. Owner represents that any dog enrolled in daycare or boarding will not have had any condition that could potentially jeopardize the health of other dogs or people and has not had any communicable diseases or conditions within 30 days prior to entry into daycare. Pawllywood™ will require a photo ID of anyone other than Owner picking up a dog.

Owner consents to Pawllywood™'s use of Owner's pet's name, images, likeness and recordings taken while at Pawllywood™ and the use of such name, images and likeness (without compensation) in any form including on Pawllywood™'s social media pages and on its website, as well as in advertisements, marketing material, promotional and other materials. Owner releases to Pawllywood™ all rights and interest in such images and likeness Owner may have in such images or likeness.
17. Owner specifically authorizes Pawllywood™ and its employees or representatives to speak with Owner's dog's veterinarian or staff for the purpose of verifying the dog's vaccination status, date of spaying/neutering, date of most recent visit and medical history. In the event Pawllywood™'s employee or representative on duty believes a dog has an illness, Pawllywood™ will use reasonable efforts to contact Owner for direction for medical treatment. Unless a dog requires immediate medical attention, in the sole judgment of Pawllywood™'s employee or representative on duty, the dog will be separated from other dogs and will remain at Pawllywood™ until the dog is picked up by Owner. In the event Pawllywood™ is unable to reach Owner, Pawllywood™ will contact Owner's veterinarian and is authorized to take the dog to Owner's preferred veterinarian for appropriate medical treatment. If Owner's preferred veterinarian is unavailable or is unable or unwilling to provide appropriate medical treatment for any reason, Pawllywood™ is authorized to arrange for alternative veterinary care, in its sole discretion, by a veterinarian licensed in the State of New York. Pawllywood™ shall not have any liability whatsoever arising from the decisions of Pawllywood™ or its employees or representatives relating to arranging for veterinary care. Owner shall be responsible for all costs and expenses of such veterinary care, including transportation costs.
18. New York State law provides that if an animal is placed in the custody of a veterinarian or boarding kennel owner or operator for a specified period of time, if the animal is not removed within such time, a 10-day notice by means of registered letter mailed to the last known address of such person will be forwarded to the owner to remove the animal. If the animal is placed for an unspecified period of time and is not removed within 20 days after notice by means of registered letter mailed to the last known address of such person then in either case the animal is not picked up, the animal will be deemed abandoned pursuant to NYS law. When an animal is deemed abandoned, Pawllywood™ may deliver the animal to any duly incorporated society for the prevention of cruelty to animals or duly incorporated humane society. Dogs may also be delivered to any pound maintained by or under contract with the county, city, town or village within which the animal was abandoned. If the animal is delivered as set forth herein, the person delivering the animal will notify the person who has placed such animal in Pawllywood™'s custody of the name and address of the animal society or shelter to which the animal has been delivered, by registered mail to the last known address of the person intended to be so notified.
19. If a dog dies while in the custody of Pawllywood™, Owner will be contacted immediately. If Owner or other emergency contact cannot be reached within one hour of the dog's passing, Pawllywood™ reserves the right to arrange for transportation to a location in accordance with applicable law. Owner will be responsible for all costs arising from transportation of a deceased dog.
20. We require 24 hours' notice for grooming cancellation of your appointment. No show will require to pre-pay full price of future appointments. Arriving 15 minutes late may need to be rebooked and \$25 late fee will apply. Same day cancelation will incur \$50 fee which will be added to future grooming appointment.
21. Dematting fee will add additional \$25 on top of haircut. Shaving down a matted coat is dangerous, and dogs can easily get irritated from razor burn. Matting itself causes irritation and loss of circulation to that area of dogs body. If you want the groomer to try and brush out the knots, There will be additional \$25 fee for every 30 minutes of brush out. This will only be done if we feel dog safety is not compromised, and if matt is too severe, we will not brush out the dog. Brushing out matts is extremely painful and may not be possible. To avoid matting between grooms is extremely important for you to brush dog with a proper tool and get a regular grooming schedule every 4-8 weeks, depending on your dogs coat and maintenance at home. We recommend a 3-6 week schedule alternating between a bath and brush out, and full groom. Pawllywood™ won't be responsible for any skin irritation or other issues should owner insists in brushing matted dog.
22. Pawllywood™ reserves the right to modify, amend and/or supplement these Terms and Conditions at its sole discretion and without prior notice to Owner. Owner shall be provided with any such amendment, modification or supplement to these Terms and Conditions.
23. These Terms and Conditions shall apply to all daycare participation from November 1, 2019 until further notice.
